The University of British Columbia

BC, Canada

Bachelor of Arts in Computer Science, minor in Management | GPA: 3.8

June 2025

- **Awards:** Deputy Vice Chancellor Scholarship, NUS UBC Exchange Award, 1st place in RBCxMSA Case Competition, 3rd place in MNPxMSA Case Competition

EXPERIENCE

Department of Computer Science, The University of British Columbia

Kelowna, Canada

Undergraduate UX Researcher

May 2024 – September 2024

- Initiated UX research on UBCO's Faculty of Science website, uncovering navigation challenges through hierarchical task analyses, task analyses, user testing metrics, and heuristic evaluations
- Designed interactive wireframes and journey maps in Figma and Adobe Photoshop, reducing average search times by 10% and boosting user satisfaction by 80%
- Launched a research opportunities page, improving student access to positions and guidance

Perceptify

Remote

Backend Engineer Intern

May 2023 – August 2023

- Rebuilt a custom Instagram API scraping tool, scaling data collection to 10,000+ social media posts daily for sentiment analysis pipelines
- Refactored backend logic into modular microservices, reducing query time by 30% and cutting frontend integration effort by 10%
- Designed Supabase-filtered pipelines to clean and transform raw data, increasing dataset clarity and analysis accuracy by 70%

AiTudier

Remote

IT Project Manager; Curriculum Developer

June 2022 – September 2022

- Directed 15 interns across time zones to deliver a 42-unit Electrical Engineering curriculum tailored for neurodivergent learners using Agile metrics
- Conducted user testing and benchmarked against competitors, refining curriculum content and achieving 70% participant preference over existing programs
- Expanded intern team by 75% through strategic recruitment and training, maintaining quality standards while accelerating development of the company's flagship product

The Phoenix News

Kelowna, Canada

Social Media Coordinator

September 2022 – January 2024

- Revitalized social media presence by launching TikTok, YouTube, and a new Instagram after Bill C-18 restrictions, expanding reach to 15,000+ viewers (+375%) and growing followers by 210%
- Produced viral reels and newsletters that boosted campus visibility, increasing print readership by 500+ copies and strengthening The Phoenix's brand recognition among UBCO students

LEADERSHIP

Tennis Club

2022 – 2025

President; Vice President

- Tripled player participation and doubled social media engagement by organizing singles and doubles tournaments, securing sponsorships, and running biweekly hitting sessions

Quantitative Sciences Course Union

2023 – 2025

Vice President; Events Coordinator

- Coordinated 50+ career and social networking events, alumni panels, and course review sessions for 2,000+ students
- Expanded engagement by organizing 10+ new professional and social events, growing social media presence by 40%, and directly connecting students with internships and job opportunities

Go Global Engagement Office

2024 – 2025

Go Global Ambassador

- Selected as 1 of 6 ambassadors from 150 applicants to mentor students preparing for study abroad in Asia
- Increased student participation in Asian study abroad programs by 5x through one-on-one mentorship and tailored prep resources, reducing anxiety and enhancing readiness
