- **Awards:** Deputy Vice Chancellor Scholarship, NUS UBC Exchange Award, 1st place in RBCxMSA Case Competition, 3rd place in MNPxMSA Case Competition

EXPERIENCE

Department of Computer Science, The University of British Columbia

Kelowna, Canada

Undergraduate UX Researcher

May 2024 – September 2024

- Initiated UX research on UBCO's Faculty of Science website using Agile methodologies to uncover navigation challenges through hierarchical task analyses, user testing, heuristic evaluations, and interviews
- Developed detailed project documentation including task analyses, journey maps, and status reports to manage stakeholder feedback and progress
- Designed interactive wireframes and journey maps in Figma and Adobe Photoshop, reducing navigation time by 10% and boosting user satisfaction by 80%

AiTudier

Remote

IT Project Manager; Curriculum Developer

June 2022 – September 2022

- Managed end-to-end project lifecycle of a 42-unit Electrical Engineering curriculum using Agile and Waterfall frameworks, ensuring on-time and within-budget delivery
- Led and coordinated a cross-function, international team of 15+ interns by overseeing resource allocation, risk mitigation, milestone tracking, and stakeholder communication
- Enhanced team efficiency by expanding team by 70% through strategic recruitment and refining curriculum, resulting in a 70% stakeholder preference over existing programs

Perceptify

Remote

Backend Engineer Intern

May 2023 – August 2023

- Rebuilt a custom Instagram API scraping tool and created Supabase-filtered pipelines, enabling large-scale sentiment analysis and increasing clarity by 70%
- Refactored backend logic for modularity, cutting frontend integration time and improving overall system reliability

The Phoenix News

Kelowna, Canada

Social Media Coordinator

September 2022 – January 2024

- Revitalized social media presence by launching TikTok, YouTube, and a new Instagram after Bill C-18 restrictions, expanding reach to 15,000+ viewers (+375%) and growing followers by 210%
- Produced viral reels and newsletters that boosted campus visibility, increasing print readership by 500+ copies and strengthening The Phoenix's brand recognition among UBCO students

LEADERSHIP

Tennis Club

2022 – 2025

President; Vice President; Treasurer

- Organized singles/ doubles tournaments and weekly hitting sessions for 200+ members by monitoring budgets, coordinating teams, and maintain communication with members

Quantitative Sciences Course Union

2023 – 2025

Vice President; Events Coordinator

- Coordinated 50+ career and social networking events, alumni panels, and course review sessions for 2,000+ students
- Fostered cross-departmental collaboration, improving member and social media engagement by 40% and directly connecting students with internships and job opportunities

Go Global Engagement Office

2024 – 2025

Go Global Ambassador

- Selected as 1 of 6 ambassadors from 150 applicants to guide students through program requirements and expectations, increasing student participation in Asian countries by 5x
